

MyDay[®] family growth rebate

To celebrate the launch of MyDay Energys[®] and support continued growth of the contact lens category within your practice, we are delighted to offer a rebate on incremental growth across the full MyDay[®] family.

Eligible Period: 1 October 2026 to 31 December 2026

Eligible products (branded, options[®] and mediflex[®] equivalents):

• MyDay[®] sphere • MyDay[®] toric • MyDay[®] multifocal • MyDay Energys[®] • MyDay MiSight[®] 1 day

Growth rebate:

A rebate equivalent to one-third of the purchase price of incremental purchases of MyDay[®] family products made during the Eligible Period, above your baseline volumes.

How will it work?

1. Baseline volume

- Your baseline volumes for eligible MyDay[®] family products are based on your average three-month pack volumes purchased over the past year.
- The baseline volume for MyDay MiSight[®] 1 day includes purchases of both MyDay MiSight[®] 1 day and MiSight[®] 1 day during the baseline calculation period.
- To qualify for a rebate, the total number of packs purchased during the Eligible Period must exceed your 'Baseline volume total'.

Please see worked example below.

Worked example for the full MyDay[®] family (for illustration purposes only)

	MyDay [®] sphere	MyDay [®] toric	MyDay [®] multifocal	MyDay Energys [®]	MyDay MiSight [®] 1 day	Baseline volume total
Baseline volume (number of packs)	10	20	10	0	10	50
Total packs purchased during Eligible Period	22	18	25	15	16	96
Number of packs to be credited	4	0	5	5	2	16

2. Automatic application

This activity will automatically apply to your account, and no action is required on your part to participate.

3. Rebate

A credit note for any rebate earned through this activity will be issued directly to your CooperVision account following the Eligible Period, subject to the terms and conditions set out overleaf.

As practices continue to focus on attracting new wearers, retaining existing patients and growing one-day penetration, this activity provides an excellent opportunity to expand your MyDay[®] business whilst benefiting from CooperVision's latest innovation in contact lens comfort.

See overleaf for full terms and conditions

CooperVision[®]

Terms and conditions

1. By participating in this MyDay® Q4 rebate programme ("Rebate"), you agree to be bound by these terms and conditions ("Terms"). Materials relating to the Rebate, including all information as to how to participate, also form part of these Terms. To the extent that there is any inconsistency between such materials and these Terms, these Terms will prevail.
2. The Rebate is open only to selected independent customers who have been invited by CooperVision to participate ("Customers"). To be eligible for the Rebate, a Customer must have an active account with CooperVision on the first day of, and throughout, the Eligible Period (as defined below). A Customer will cease to be eligible for any rebate if, before such rebate is awarded, the Customer becomes part of, or is acquired by, a customer group that is not eligible to participate, as determined by CooperVision from time to time.
3. The Rebate starts on 1 October 2026 and will continue up to and including 31 December 2026 ("Eligible Period").
4. Subject to the remainder of these Terms, Customers will receive a rebate on Incremental Purchases (as defined below) of MyDay® sphere, MyDay® toric, MyDay® multifocal, MyDay Energys®, MyDay MiSight® 1 day and their options® and mediflex® housebrand equivalents ("Products") made during the Eligible Period. The rebate will be calculated on a 3 for 2 basis (i.e., the Customer will receive a rebate equivalent to the cost price of one pack for every three qualifying packs purchased above its Baseline volume).
5. "Incremental Purchases" means purchases (at store level) of the Products within the Eligible Period that exceed the applicable Baseline volume.
6. The rebate (which will be calculated based on the Customer's cost price of the relevant Product as at December 2026) will be paid, by way of credit note, to the Customer's CooperVision account in February 2027.
7. Payment of any rebate will be dependent on (i) the Customer having no overdue invoices under its account with CooperVision and (ii) the total number of packs of Products purchased by the Customer during the Eligible Period exceeding the Baseline volume total (as detailed above).
8. CooperVision reserves the right to suspend, cancel, amend, or withdraw the Rebate at any time.
9. If there is any reason to believe that there has been a breach of these Terms, CooperVision may, at its sole discretion, reserve the right to exclude the Customer from participating in the Rebate.
10. Only orders placed directly by Customers or optician practices are eligible; orders placed by distributors or other third parties do not qualify.
11. Orders that are subsequently cancelled and refunded will not be eligible for a rebate.
12. Orders may be placed by telephone, email, or via the CooperVision ecommerce website.
13. The supply and delivery of the Products will be in accordance with CooperVision's standard terms of business or, if applicable, the terms of the supply agreement between CooperVision and the Customer.
14. The Rebate is not available in conjunction with any other rebate, promotion, discount, incentive or offer that CooperVision may make available to its customers from time to time, unless otherwise agreed by CooperVision in writing.
15. These terms and conditions shall be governed by English law, and the parties submit to the exclusive jurisdiction of the courts of England and Wales.
