Features & Benefits

- Long-lasting comfort—Avaira Vitality™ toric contact lenses provide the long-lasting comfort your eyes demand; supported by their high water content and special lens design.
- Great vision—Avaira Vitality™ toric contact lenses provide clear, crisp vision thanks to its Optimised Toric Lens Geometry™. This helps stabilise the lens, and deliver predictable and consistent vision.
- Health benefits—Avaira Vitality™ toric contact lenses are created using third-generation silicone hydrogel material that allow high levels of oxygen to reach the eyes.
- Avaira Vitality™ toric UV contact lenses offers Class 1 UV protection that blocks more than 90% UVA and 99% UVB* offering improved protection to your eyes.
- Avaira Vitality™ contact lenses offer all the comfort and benefits of a highly breathable material at an affordable price.†

* Warning: UV-protection contact lenses are not substitutes for protective UV-absorbing eyewear, such as UV-absorbing goggles or sunglasses, because they do not completely cover the eye and surrounding area. UV-absorbing eyewear should still be worn as directed.

† Based on CooperVision®'s recommended retail price. Retail price is solely at the discretion of the retailer at all times. The above is not meant to influence the price any retailer charges.
